Internship - Industrial Design - 4 to 5 months

Born and raised in Rio de Janeiro, Brazil, I have benefited from a fully bilingual education. This multiculturalism is at the heart of the curiosity that drives all of my learning. For my third year of design studies, I am offering my skills for a 4-to-5-month internship (from September 2026 to February 2027) so I can refine my skills and contribute to real projects in a professional setting.

Education

École de design Nantes Atlantique

Masters - Industrial Design

2024 - present (2nd Year)

- Acquisition of the design process, research, concept generation, prototyping. Group projects.
- Learning different means of expression, sketching, drafting, infographics, 3D modeling. Workshop practice of various materials.
- Electives : Sound design, Video mapping, Digital instruments.

Concours Général - Portuguese

1st Prize - Prestige National Academic Competition
2024

St-Germain-en-Laye International High School

Bac Français International (Portuguese) - Equivalent to A-Levels
2021 - 2024

- Portuguese Literature, Theater, Culture and History
- Mathematics and Computer Science
- Visual Arts

Experience

POUSH Hot Glass

Intern - Studio Assistant

2026 (6 weeks)

- Practical assistance with making artwork, dispensing classes, artist collaborations, and moving out the studio.
- Experiments and production of sculpted and blown glass artwork.
- Assistance to the installation of an art show in Aix-en-Provence.
- Demonstrations and explanations of glassblowing in a public setting.

Creation of an intersectional Film/Philosophy club

2023-2024

- Choice of program, curation and organisation of screenings.
- Contact with teachers and high school administration.
- Art direction, visuals and communication.

Personal interests

Music and Sound

Fan of concept albums and French touch music. Guitar and keyboard practice. Interest for analog and modular synthesis.

Cinema

Lifelong passion for cinema, worldbuilding and storytelling. In constant search of unique work to broaden my horizons.
